OUR PURPOSE is to deliver on the Army's commitment to Families of the Fallen. Survivor Outreach Services (SOS) connects you with people and services that can help you throughout the grieving process.

Many times after a loss of a loved one, there are unresolved issues or questions that may surface months or years later.

Survivor Outreach Services can help you manage life's transition and milestones.

## SURVIVOR OUTREACH SERVICES

SOS demonstrates the Army's commitment to provide support and standardized services to Active, National Guard and Reserve Families of the Fallen.

This program offers a holistic and multi-agency approach to delivering services by providing access at garrisons and communities closest to where Families live. SOS Professionals provide individualized support and attention to Survivors across the Nation.

## OUR MISSION

Build a unified program which embraces and reassures Survivors that they are continually linked to the Army Family for as long as they desire.

## SOS SUPPORT COORDINATOR:

## FINANCIAL COUNSELORS

Financial Counselors provide assistance to Surviving Families through investment and estate planning education.

## SUPPORT COORDINATORS

Support Coordinators function as the long term support personnel for Survivors. Support Coordinators facilitate support groups, provide life skills education, and connect Survivors with counseling resources. These Coordinators work closely with Benefits Coordinators, Casualty Assistance Officers, and other agencies to ensure Survivors receive their necessary services.
